EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The following claims have been added:

12. (new) The loudspeaker system according to claim 1, wherein the opening created between said port cover and said enclosure is covered by a screen such that an open area percentage of said screen multiplied by the result of the cross-sectional area of said opening between said port cover and said enclosure divided by the predetermined internal cross-sectional area of said port tube is greater than or equal to 1.67.

13. (new) The loudspeaker system according to claim 12, wherein the screen has an open area greater than approximately 35% and a closed area less than approximately 65%, and the ratio of the cross-sectional area of said opening between said port cover and said enclosure divided by the predetermined internal cross-sectional area of said port tube is at least five.
